Room numbers: Two accessible rooms no interconnecting rooms

The Northern Greenhouse

Entry into reception

There is a heavy sliding door with a 5cm step into the front reception door which is 900cm wide, but level access is in through the back door, which is through the gates beside the reception area..

The reception counter does not have a lowered section for wheelchair users but staff will assist guests if required.

Parking:

There is a designated accessible parking bay in the corner of the parking lot located near the front gate and entrance. This is not an undercover parking area.

Access to public areas

There is no access to the upper deck, due to no lifts, only stairs.

Accommodation:

The accessible self contained guest rooms are on level access with no steps or sills. The door width is 878mm and is fitted with a D style handle and is easy to open.

Room furniture can be moved to suit the guest's requirements if necessary, but there is an open area on one side of the bed.

The rooms are configured with a king size bed (see photo). Under bed clearance is 110mm and the height to the top of bed is 540mm.

A small dining table is provided in the room with a top height of 800mm and a height from floor to underside of 655mm.

The room is self contained with a 2 burner stove, a microwave oven and small bar fridge provided for your convenience. The TV and AC can be controlled by remote from the bed. The height of the cupboard clothes rail is 1530 mm above the floor.

Sanitary Facilities:

Entry into the accessible shower and toilet is through an 874mm door. The facility is a combined toilet and shower with a dimension of 2650mm long by 2098mm wide.

There is a drop down shower seat provided which is 483mm from the floor and 410mm wide. There are handrails for support beside the shower.

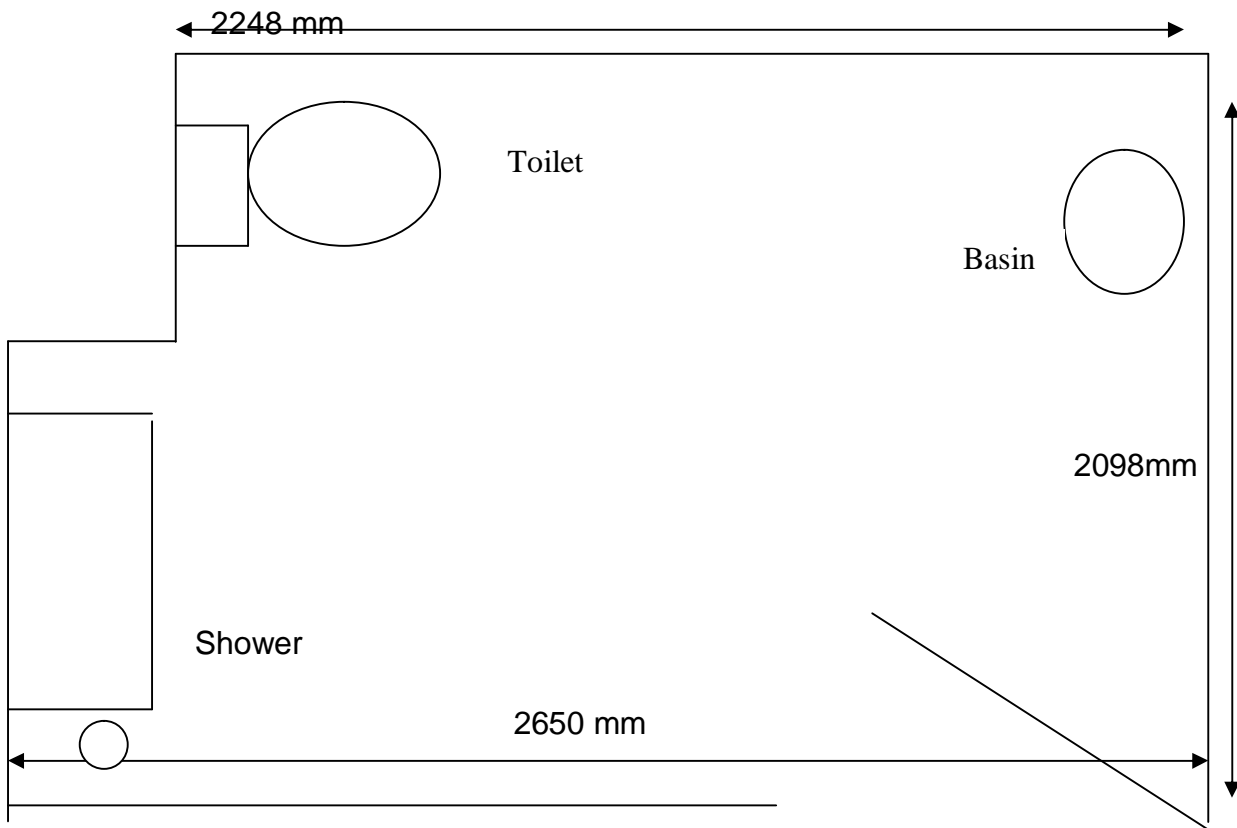

A flick mix tap is provided and is easily reachable when sitting in front of the shower.

Two grab rails are fitted beside the toilet (see photo) and are mounted at 794mm from the floor. The toilet is mounted 465mm from wall to centre of pan. The seat height is 440mm from floor to top of seat. The sink is located 1240mm from the front of the pan.

Clearance to the under side of the sink is 625mm with a top height of 745mm.
The base of the mirror from floor is 985mm.

General:

Staff are very friendly and will assist with baggage if required. There is 24 hour guest service provided.

Assistance dogs are welcome on the premises.

The accommodation is located a short stroll from the CBD and you will find many great restaurants located along the esplanade and within the CBD as well as great shopping.
